

Welcome to the Oakfield Conservation Club Inc.

The **O.C.C.I.** was started in 1949 and incorporated in 1958. Our first Corn Roast was held in 1959. As of today we have 2 farms #1 Farm off of highway 151 and Thill Road has 173.3 acres which includes Lake Allen. #2 Farm off of River Road and Hickory has 209.3 acres which includes a horseshoe pond and other ponds in marsh. We have 2 buildings, on Highbridge Rd. one clubhouse and one for storage rental. This is where we have our meetings and events. So after you buy your membership **now**, if you are going to be hunting or fishing on the property you will need the vehicle tag. **Send a self address stamped envelope, to receive your car tag.**

Remember every September 1st memberships will go up to \$50 than in January will come down to regular price.
